How Postage Payments Work

1. Purchase postage using one of the seven available methods.
2. FP adds the funds to your USPS postage account.
3. You download funds to your postage meter.

Postage Payment Methods

Payment Method 1 & 2: Direct Debit by Reset Debit or Debit-on-Demand

1. **Debit-on-Demand:** Login to MyOneFP and choose Purchase Postage by Debit On Demand to transferred funds from your checking account to your USPS postage account
2. **Reset Debit:** Whenever you need postage, perform a Reset (Teleset) on your meter to have funds withdrawn directly and available for printing postage

Payment Method 3: ACH/Wire Transfer

3. To pay for postage by ACH/Wire Transfer, download Pay Postage by ACH or Wire Transfer form from fpusa.com/support with the Citibank routing number to transfer funds to your USPS postage account
