# FP® Parcel Shipping
Ship. Track. Save

FP® Parcel Shipping

Ship. Track. Save.

FP Parcel Shipping is a simple, step-by-step, online shipping application that allows mailers to create shipping labels with tracking, qualify for discounted USPS® rates and manage shipments with end-to-end real-time tracking.

This scalable solution offers the ability to add UPS®, FedEx® and DHL. This enables you to compare shipping options across carriers, making it easy to select the best rate for the date and time the parcel needs to be delivered.

IMpb compliant tracking labels

FP PS70 Seventy pound capacity USB scale

Thermal shipping label printer (4"x6")

Rate Shopping

Easily compare rates across services and multiple carriers with savings that add up.

Multi-Carrier Option

Connect to your carrier shipping account to expand rate shopping and improve savings potential.

Tracking Email

Automatically email recipient tracking and parcel information for better customer service.

Print tracking labels

Print IMpb compliant tracking labels on plain paper or 4"x6" thermal shipping labels.
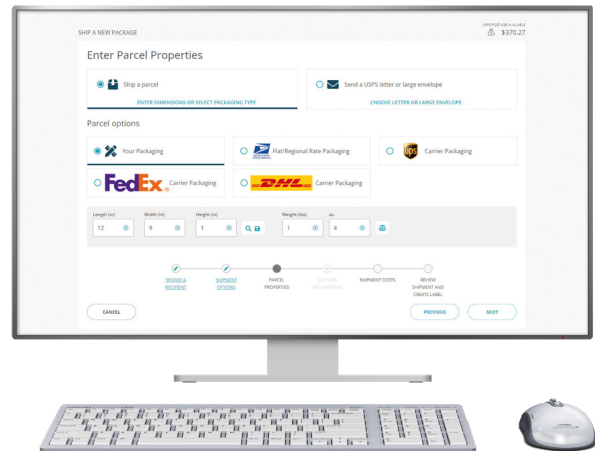

Get the Best Rates

Save over retail rates with commercial pricing. USPS® Commercial Plus Pricing saves up to 88% on Priority Mail®, up to 67% on First-Class Packages and up to up to 16% on Priority Mail® Express.

Full Tracking Visibility

Manage and track packages with the easy search tracking dashboard. Plus, automatically email recipient tracking and delivery confirmation for better customer service.

Addresses Made Easy

With CASS™ address validation and correction, you can prevent mis-shipments and delays. The single address book allows you to simplify your address book management by using only one address book for USPS® as well as other carrier shipments.

Flexible for all your Mailing and Shipping Needs

Scalable for small office to enterprises including work from home. FP Parcel Shipping Prints First-Class letters and trackable shipping labels with many different print options and formats.

Cost Account Management

Allocate costs and report on expenditures by cost account when combined with PostBase Vision360.

Analytics Dashboard

Get an overivew of your shipping operations and expenditures with the graphical analytics dashboard.

Robust Reporting

Generate shipment, tracking and expenditure reports in PDF, Excel or .csv formats.

Protected with free insurance

Receive up to $100 free insurance on Priority Mail® and Priority Mail® Express.
