Canon ImageRUNNER ADVANCE DX: Faxing

Using the Fax feature.

Basic Faxing: From the Main Menu

1. Select the Fax icon from the Main Menu screen	
2. Place your document face up in document feeder or on the glass platen.	

3. Enter a destination by one of two ways:
  a. Using the number using the keys on the number pad: If you access an outside line with a number, enter that number first. Example: 919529256801
  b. Using the Address Book: Select Address Book and choose from the registered fax numbers.	

4. Select additional options as needed: 2-sided original, mixed sizes, resolution, etc. a. For more advanced features such as job build, select the Options button.	
5. Press the green "START" button to begin faxing.
