

PostBase[®] Vision
Advanced

PostBase® Vision

Stylish. Secure. Connected.

PostBase® Vision embodies a modern, award winning design that integrates perfectly into any office environment. It is as functional as it is stylish. Meticulously engineered with users in mind, this mailing system is intuitive and simple to use with a large color touchscreen so that any operator can process mail with ease. It is whisper quiet and comes in five designer colors to best suit the style of your office.

Multi-Connectivity

Connected via LAN or built-in Wi-Fi, your system will always be up to date and compliant with USPS® rates.

FP Online

Full online management of your mailing system, support and access to FP digital products and services available online.

SealCheck Sensor

Exclusive to FP's PostBase® line, SealCheck ensures security by validating that each envelope flap passes through the sealer.

FP Parcel Shipping

Ship. Track . Save.

Paired with the PostBase® pro DS, FP Parcel Shipping is the perfect companion to send packages. This online shipping application makes mailing packages simple and reduces costs while providing tracking and management of shipments.

- Discounted Commercial Plus® Pricing
- Free insurance on Priority Mail® and Priority Mail Express® (up to \$100 value)
- CASS address correction and validation
- Package tracking dashboard with email notifications
- Multi-carrier rate shopping option

External Scale
(Optional)

Label Printer
(Optional)

Prints IMpb compliant tracking labels on letter size paper or 4" x 6" thermal shipping labels

Vision360

Monitor. Manage. Control.

Gain insight into your postal expenditures to better monitor, manage and control costs. Vision360 provides convenient online access to postal analytics and reporting for simple mail management. Conveniently view, print or download reports in PDF or Excel formats.

FP Parcel Shipping

Create labels, get the deepest USPS® Commercial Plus® discounts, shop rates against other carriers, and manage and track your shipments.

Cost Account

Cost account management made easy by seamlessly syncing one or multiple meters or applications.

Reporting

Easily access a full suite of postal and cost account reports online.
