TA Series

24" TA-20

36" TA-30

Bring Your Printing In-House.

Go Large. *Create Impactful Work.*

Printing Made Easy
Ships with free poster/marketing creation software and a Print Plug-in for Microsoft® Office.

Print More Out of the Box[1]
Ships with 164% more ink than the T125/130.[5]

Over $250 worth of ink included!!

Low Cost of Operation
Economy Print Mode[4] allows for up to 40% less ink to be used during printing—helping to lower your operating costs!

Minimize Disruption in the Workplace
The quietest printer in this market.[5]

Wi-Fi Printing[2]
Print mobile from almost anywhere in the office or job site.

Virtually No Printing Limits[4]
Print borderless on all media sizes—the competition can't do this.

Unparalleled Speed[3]
Print 104 24x36 posters per hour. That's 40 more posters than the HP T125 can print![5]

Print Outdoor Posters
Unlike the HP DesignJet printers,[5] the TA Series use pigment ink to produce weather-resistant posters.

The Perfect Print
Paper is kept flat during printing - helps make consistent prints every time.

Innovative Technology
Uncompromising quality from the #3 patent holder in the U.S.

More Paper. More Printing.
The TA has the ability to utilize long rolls and a wide variety of media.

Nonstop Printing
The sub ink tanks let you change empty cartridges while the printer continues to print.

See how the imagePROGRAF TA Series will fit in your workspace.

SAY YES TO NEW ADVENTURES

24" TA-20

Height 18"

Depth 30"

Width 39"

Specifications
